School Population is from Synergy 2014-15 data

suspension data is from 2014-2015 discipline state report (excluded summer 2015 suspensions)

- "Students Suspended" are the actual number of students suspended at each school

- "All Suspensions" represents the actual number of suspensions

* Totals may be greater than the sum of totals by race/ethnicity because results are not reported for students identified as multi race or Am.In./AI.Nat

** No students reported as enrolled full time but this was the location at which the incident occurred
