

Volunteers & Partners: *Making a Difference for APS!*

December 2016

This is the season for hot chocolate, staff get together and best of all for giving. Each year we are so fortunate to have an abundant number of community members and partners that give of their time and talents to help our students and programs grow. And this holiday season, I would like to say we are ***thankful for you***. We are glad that you are part of the APS community, whether you're a volunteer or partner, ***you make a difference***. As of December we have over 700 volunteers and 600 partners. Our volunteers have made a commitment to work hard and enrich our students' academic experiences, while our partners encourage students by offering internships, job shadowing and mentoring support.

Again thank you for being part of our community. We wish you, your family, and your friends a joyous and reflective winter break, and a happy and prosperous New Year.

Dawn Smith, Communications Coordinator

The Volunteer and Partner Liaisons wish all our volunteers and partners a very happy, safe, and warm holiday.
