If the request is approved, the Proposal shall be deemed modified by incorporation of the correction requested. If the

23. TERMINATION FOR CAUSE, INCLUDING BREACH AND DEFAULT; CURE

The Contract shall remain in force for the Initial Contract Term or any Subsequent Contract Term(s) and until APS determines that all of the following requirements and conditions have been satisfactorily met: APS has accepted the Work, and thereafter until the Contractor has met all requirements and conditions relating to the Work under the Contract Documents, including warranty and guarantee periods. However, APS shall have the right to terminate this Contract sooner if the Contractor is in breach or default or has failed to perform satisfactorily the Work required, as determined by APS in its discretion.

If APS determines that the Contractor has failed to perform satisfactorily, then APS will give the Contractor written notice of such failure(s) and the opportunity to cure such failure(s) within at least fifteen (15) days before termination of the Contract takes effect ("Cure Period"). If the Contractor fails to cure within the Cure Period or as otherwise specified in the notice, the Contract may be terminated for the Contractor's failure to provide satisfactory Contract performance. Upon such termination, the Contractor may apply for compensation for Contract services satisfactorily performed by the Contractor, allocable to the Contract and accepted by APS prior to such termination unless otherwise barred by the Contract ("Termination Costs"). In order to be considered, such request for Termination Costs, with all supporting documentation, must be submitted to APS Project Officer within fifteen (15) calendar days after the expiration of the Cure Period. APS may accept or reject, in whole or in part, the application for Termination Costs and notify the Contractor of same within a reasonable time thereafter.

If APS terminates the Contract for default or breach of any Contract provision or condition, then the termination shall be immediate after notice from APS to the Contractor (unless APS in its discretion provides for an opportunity to cure) and the Contractor shall not be permitted to seek Termination Costs.

Upon any termination pursuant to this section, the Contractor shall be liable to APS for all costs incurred by APS after the effective date of termination, including costs required to be expended by APS to complete the Work covered by the Contract, including costs of delay in completing the Work or the cost of repairing or correcting any unsatisfactory or non-compliant work performed or provided by the Contractor or its subcontractors. Such costs shall be either deducted from any amount due the Contractor or shall be promptly paid by the Contractor to APS upon demand by APS. Additionally, and notwithstanding any provision in this Contract to the contrary, the Contractor is liable to APS, and APS shall be entitled to recover, all damages to which APS is entitled by this Contract or by law, including, and without limitation, direct damages, indirect damages, consequential damages, delay damages, replacement costs, refund of all sums paid by APS to the Contractor under the Contract and all attorney fees and costs incurred by APS to enforce any provision of this Contract.

Except as otherwise directed by APS in the notice, the Contractor shall stop work on the date of receipt of notice of the termination or other date specified in the notice, place no further orders or subcontracts for materials, services, or facilities except as are necessary for the completion of such portion of the Work not terminated, and terminate all vendors and subcontracts and settle all outstanding liabilities and claims. Any purchases after the date of termination contained in the notice shall be the sole responsibility of the Contractor.

In the event any termination for cause, default, or breach shall be found to be improper or invalid by any court of competent jurisdiction then such termination shall be deemed to have been a termination for convenience.

24. TERMINATION FOR THE CONVENIENCE OF APS

The performance of work under this Contract may be terminated by the Purchasing Agent in whole or in part whenever the Purchasing Agent shall determine that such termination is in APS' best interest. Any such termination shall be effected by the delivery to the Contractor of a written notice of termination at least fifteen (15) calendar days before the date of termination, specifying the extent to which performance of the work under this Contract is terminated and the date upon which such termination becomes effective. The Contractor will be entitled to receive compensation for all Contract services satisfactorily performed by the Contractor and allocable to the Contract and accepted by APS prior to such termination and any other termination costs as negotiated by the parties, but no amount shall be allowed for anticipatory profits.

After receipt of a notice of termination and except as otherwise directed, the Contractor shall stop all work on the date of receipt of the notice of termination or other date specified in the notice; place no further orders or subcontracts for materials, services or facilities except as are necessary for the completion of such portion of the work not terminated; immediately transfer all documentation and paperwork for terminated work to APS; and terminate all vendors and subcontracts and settle all outstanding liabilities and claims.

25. INDEMNIFICATION* (NOTE: Virginia does not permit the indemnification of others; cross indemnity provisions are not acceptable). The Contractor covenants for itself, its employees, and subcontractor to save, defend, hold harmless, and indemnify APS, and all of their elected and appointed officials, officers, current and former employees, agents, departments, agencies, boards, and commissions (collectively the "APS" for purposes of this section) from and against any and all claims made by third parties or by APS for any and all losses, damages, injuries, fines, penalties, costs (including court costs and attorney's fees), charges, liability, demands or exposure, however caused, resulting from, arising out of, or in any way connected with the Contractor's acts or omissions or errors in performance or nonperformance of its work called for by the Contract Documents, whether such act or omission or error is attributable to Contractor, subcontractor, any material supplier, or anyone directly or indirectly employed by them, called for by the Contract Documents. This duty to save, defend, hold harmless and indemnify shall survive the termination of this Contract.

If any action or proceeding relating to the indemnification required by this Section is brought against APS, then upon written notice from APS to the Contractor, Contractor shall at Contractor's expense, resist or defend such action or proceeding by counsel approved by APS in writing, such approval not to be unreasonably withheld, but no approval of counsel shall be required where the cause of action is resisted or defended by counsel of any insurance carrier obligated to resist or defend same.

If, after Notice by APS, the Contractor fails or refuses to save, defend, hold harmless and/or indemnify APS, the Contractor shall be liable for and reimburse APS for any and all expenses, including but not limited to, reasonable attorney's fees incurred and settlements or payments made. The Contractor shall pay such expenses upon demand by APS and failure to do so may result in such amounts being withheld from any amounts due to Contractor under this Contract.

Contractor understands and agrees that it is Contractor's responsibility to provide indemnification to APS pursuant to this section. The provision of insurance, while anticipated to provide a funding source for this indemnification, is in addition to any indemnification requirements and the failure of Contractor's insurance to fully fund any indemnification shall not relieve the Contractor of any obligation assumed under this indemnification.

26. INTELLECTUAL PROPERTY INDEMNIFICATION*

The Contractor warrants and guarantees that no intellectual property rights (including, but not limited to, copyright, patent, mask rights and trademark) of third parties are infringed or in any manner involved in or related to the services provided hereunder.
