# School Board Work Session: High School Boundary Refinements 3 Combined Options

November 9, 2016

**REVISED 11/21/16**

## **APS Boundary Policy (30-2.2)**

... recommended boundary changes ... shall include, but not be limited to, consideration of the following criteria:

- Efficiency
- Proximity
- Stability
- Alignment
- Demographics
- Contiguity

# Sibling Transfer Option for Washington-Lee

Arlington  
Public  
Schools

- Recommend that siblings of students who will be concurrently enrolled in 9<sup>th</sup>, 10<sup>th</sup>, 11<sup>th</sup> or 12<sup>th</sup> grade at WL in the 2017-18 School Year be provided sibling transfer (4 years)
- Transportation will be provided (if needed)
- For projections of sibling transfers – Combined Options estimate that up to 66% of siblings will request transfer to W-L

# Capacity Considerations

- Upcoming internal modifications at Yorktown and Wakefield will add 300 seats each
- Distribution of Arlington Tech seats are evenly split across each school
- Distribution of additional 1,300 High School seats in 2022 evenly split across each school
- Est. 2/3 (66%) eligible siblings will attend W-L
- Capacity utilization can be increased by est. 100 seats via Master Scheduling options
  - e.g. Partial 7/7 use, “Zero” period, and other suggestions from 2015 APS Master Plan (online)
- APS can still continue to offer a 120% waiver in all Combined Options

# Combined Option 1: 50/50 est.
