

Yanis Mehenni, 2nd Place, 2nd Grade, Arlington Science Focus

Life is not easy

We have to speak up.

We have to say what are problems are.

We have to solve our problems.

This is not easily done,

Be brave and proud.

Freedom is what we need.

Peace is what we need.

Equality is what we need

You only have to say what is in your heart,

Trust me, you will succeed.
