Acceptable Use (1:1) Devices for Instruction

Support + Outdoor learning as much as it more than iPad sopport!

- For Ipods- ✓
  - Parents Manual
  - Better exploration of Apps

ME Gustaria que es Aya fuera a la emseñen que te agan las Padres y no por el Congigo Postal que obliga a echar por no saver en el area

Understand + admit your failures

Crossing guard @ Art Ridge Rd + 2nd St - Dangerous.

County wide policy on personal devices — NOT IN THE CLASSROOM!

More Crossing guards

OPT OUT iPADS

Identify core vs non core funding

More outside time!
Balance resources for technology w/ resources for connection to people & nature

Why don't we provide cases for high school laptops

Retrieval!! program from ES until. one explain . evidence ...

An IT Engineer at every school to fix Infrastructure

I don't like iPads in schools.
Studies show note taking on paper leads to better understanding.

Thinking about Chinese Immersion School
— large application worldwide / business

Allow opting out
Keep up on research
Listen to teachers

Maintain high quality Staff

Please Reduce The time kid have for Ipads & computers to the Minimum Thank You

Recess min 20+ mins for All ES x2

Note-taking- standard - reading / lecture taught DMS/H?

Meaningful inclusion —

NO IPADS

USE BOOK NO AUDIO-EBOOK GO TO THE LIBRARY IS IMPORTANT GAP

More staff
for k-5
schools over
700
students!

Keep funding
or increase
it, special
Education funding

Keep the
ipads
K-5 !

Sustainability as
coordinator by
recommend
SACS - sustainability,
cmte
+ school library can
pre-school liasons

keyboards
w/ iPads

Public facilities should provide universal design features for all — equate it — o quate feetres do not have full size, changing Privates facties

[illegible]

Immersion Coordinator on APS!!

No iPads in library

APS will be nice to consider adding more Montessori class room to help Parents with going to an to use RH

How is student information shared? Concerned about privacy

Think of keeping
good quality
teachers, good
language classes,
music & sports
are important x2

Loner program for ipads being repaired

How to Replace
demo on Ipad ?

We need to teach
basic to Kids,
handwriting,
reading
communication &
building community

Inclusion for speed students, less restricted classroom programs

All textbooks online can lead to eye strain/kids should not be on computers so many for hours/day.

Concern about the security of the devices. Privacy settings Camera: Microphone

iPads are taking away handwritten skills, including cursive

Music
for Spe Ed Students

Communication and consistency across schools.
Ensure balance by spending energy on outdoor and primary source learning

iPads only - this real world wont go as far recording research etc.

Limit use of personal
mobile devices during
the school day -
kids without a device
feel left out

Have a page on the
APS website that
explains the functionality
of each web
application (eg. Parent
Vue, Google classroom,
Nutri slice, etc.)

access to technology. ②

~~Internet~~
"Homework" can stretch
out for hours doing
but could be done in
much less time w/ pencil + paper

APS technology policy has usurped my authority as a parent in my home to limit my children's

Ipads important to equitable access

Importance of students not being addicted to iPads and ability to develop deep concentration

NEED establishe
ipad loaner
program when
ipad in for
repairs
