Policy would mean that current ASFS transfer who have bussing would no longer get bussing once ASFS becomes a "neighborhood" school

Trouble finding drivers?
Ok, then set up zones that parents take kids to to catch bus.

to Key.
Let us get on a nearby bus light rail, I drive beside a bus going to Key because my kid isn't supposed to go

I THINK TRANSPORTATION SHOULD DO "EXPRESS" BUSES FOR STUDENTS WHO CHOOSE OPTIONS THAT ARE A GREAT DISTANCE.

Classroom level families at Key need to be provided the transportation as all other at option schools are

No Busing for Option Schools
↳ you choose to go there you figure out how to get there → Carpool

APS
Transportation
Office is truly
the worst run
APS office

Please fix it so
they can faml 25
back

Why is starting
school at the
current time the
Best educational
environment for students
in that grade?

APS should transport
all students. Local
side roads - should
stay in control of
state & all other

Public Education
=
Public School
Buses

We pay taxes!

Transportation
more lines create more
stated to transport of
we need to be over the
burden of
funds (more interests in
the budget)

The County
should prioritize
education over
logistics.

County should
have to demonstrate
why its logistics
decision is the
best educational option.

Family means
household

By definition,
~~option schools can't~~
~~be in every neighborhood.~~
The County should
provide transportation
at least through
middle school level
