

Kenmore Strengths

Kenmore challenge

Kenmore Other

Option A Ed Crute

- ↑ Support
- IB needs more slots
- Freshman 9th grade campus
great idea
- Less disruptive to that neighborhood
- Decreases issue of \$ to be spent on new sports fields at Career Center and Kenmore

SPACE, TRAFFIC,
NON-CENTRAL
LOCATION

Don't get distracted by traffic at Kenmore. Traffic is terrible everywhere

+1

Kenmore

Should be front-runner for 1300 seat school and a neighborhood school

- Has space for field
- In S Arlington
- Large population in this area

I DON'T LIKE
1300 HS STUDENT
ON THE SAME
"CAMPUS" AS ELEM
(CARLIN SPRINGS) WITH

Had to watch an ambulance drive in the opposite side of Carlin Springs rd because high traffic

Kenmore is the only location that seems equitable - both allocation across the county (location) + fields.

It's also the largest space

PEDESTRIAN
SAFETY IS
REALLY
RND

VHC??
Carlin Springs

Kenmore Strengths

Kenmore challenge

Kenmore Other

The larger the school, the fewer opportunities for kids to participate in extracurriculars, hurting college applications + whole child educational experience.

We need 4 comprehensive high schools.

This would nullify the boundary decisions from last year and further segregates the County mostly ~~likely~~.

Kenmore should be used for the high school with a new middle school site at the VHC Carlin Springs site.

Kenmore site is only location that can continue to provide relief. The site could grow to include the MS building when more property in the future.

No ability to walk or bike Arlington Mill kids now pay to RIDE ART! How hypocritical are YOU!

HS please use 17M more wisely.

Church City has more reasonable 5- new HS (1500 seats) \$117M OR LESS

KENMORE has most space.

AND Ducked New Elementary school. It is KENMORE'S TURN to have a school added.

Having a ^{new} neighborhood high school without the same offerings as the other neighborhood high schools should be a non-starter. Fewer ^{on-site} sports, clubs, etc, isn't equal + sets up "haves" and "have-nots."

Location of building? What space would be lost?

Kenmore Strengths

Kenmore challenge

Kenmore Other

This is the only viable option.

Traffic
The current Kenmore Campus could give up land to widen Carlyn Springs Road to ease traffic

Kenmore is only site large enough to host a 4th Comprehensive High School

Build @ Kenmore
It's centrally located + The largest location.

You can deal with easement.. it is addressible. Small spots
+ footprint @ Edcenter
+ career center is located footprint.

Traffic + location

VHC site is not yet acquired by County - presumption that it will go to APS is premature.

#1 Choice

- Has space
- Should just be 4th HS now
↳ Build now for future - stop catch up game.
- Centrally located

TRAFFIC

There is traffic everywhere
Should not be a deciding factor

Kenmore Strengths

Kenmore challenge

Kenmore Other

A comprehensive high school at the Kenmore site makes the most sense, it needs to be larger than 1300 seats. The land at Kenmore accommodates this.

Has the School System requested a site plan from the county?
How can a high school function on the County line? When there could only be 1 entrance onto a major thoroughfare.

→ Why can't we use the old schools that were used before now for building program?

Can create a neighborhood school that isn't too large for students to participate in extracurriculars

A high school next to an elementary school is not appropriate.

There is no ability to walk or bike to Kenmore due to dangerous traffic

Transportation & walkability

Concerns can be overcome

This provides an actual H.S. - w/ fields and everything else. Can also be expanded in the future and the middle school moved to the VHC site

Kenmore No

- Negative impact on traffic

-

Artigsten Heights Association has NOT been engaged.

Kenmore Strengths

Kenmore is
BEST.

Reasonable size -
very much prefer
a new separate high
school rather than
adding so many
children to an
existing high school
location

~~Kenmore~~
KENMORE Ducked
the addition of a the
NEW ELEMENTARY
SCHOOL thrust upon
TS PARK LAND.

It's KENMORE'S TURN
to ADD a School.

Kenmore challenge

- NO
Career Center Concern
- Protect existing programs
 - Protect Arlington library
there
 - Traffic for 15^{sq} block Negat.
given ^{QTS} ② New element ② P. Army
④ Career Center - More traffic
and School density not fair.

Preserve Neighborhood
Next to Kenmore
I hope a new building
would be closer to
Carlyn Springs road.
The families that live
now on 1st & 2nd street
south (between Kenmore &
S. Manchester) live in a
quiet area with no through
traffic. I hope that area →

Be careful of
Nimby-ism.
Saying "Kenmore
has worse traffic"
is not proven...
Traffic is bad
everywhere.
Build a large location

Kenmore Other

Career Center
Please clarify if
the existing programs
will be protected.
How will term
parent program
operate?

Please send
the Committee
lead strings
Appt.

Please put
more complete
pros and cons
into an list
to explain difference
between A-C
- include costs
- include info on
spots E. 105

Kenmore Strengths

Kenmore challenge

Kenmore Other

Kenmore Traffic
Is Already Unbearable
w/o Major Traffic
Investment

Kids who choose
option schools are
w/ing → no using
Dish for ~~10~~ of
extraordinaries

Environmental
Concerns for
Streams

Spent less money per
student and add
1,300 seats at Kenmore
and 1,300 seats
elsewhere. 1,300
seats is not enough.
More seats to be
spent on seats = not
per student.

Green Space

Please keep the fields/
shared green space
at the west end of
the Kenmore campus green.
The County needs to keep
areas for sports, animal
migration to Long Branch.
This area is closest to
the FFY Border.

Any small programs
must track the over-
crowding burden.

Kenmore Strengths

Kenmore challenge

Kenmore Other

Sports & extra curricular activities are a priority & Kenmore can't support all options - fields, pool, track, stadium

More IB program to Kenmore

Concerns having a HS right next to Carlin Springs elementary school. Is there any research on having HS in close proximity to elementary school?

Even though Kenmore on the western border, still more seats by 10000 + it means many quality of it is reduced

Currently have crime and issues with MS students, adding more students will increase issues

Area of the County where HS seats are needed.

3 schools in 1/2 mile

Good source for

Kenmore Strengths

Kenmore challenge

Kenmore Other

STREET MARKS A 4TH SCHOOL +
DUST CAR TRAFFIC
IMPOSSIBLE TO ADD SAFELY
UNLESS A MAJOR PARKING
STRUCTURE ~~BE~~ AN 2 OR 3
ADDITIONAL STREET ENDRINGS
ARE DEVELOPED AT
CAMPBELL + KENMORE

Future HC
growth if can
have Kenmore

~~Kenmore~~
Takes away field
space that County
desperately needs
- baseball
- soccer
- lacrosse
- foot ball

BIG PRO:
30 acres at Kenmore
one of largest parcels
to both present and
future needs
11/15/2013

Traffic and parking
to accomodate
4 schools in a
quarter mile on
Carlin Springs

This example is 32
acres - as big as
located in the
road side for a high
school site of some 20
acres
It is also a good location
to build a new high school
secondary

If add another
school to VHC
site, traffic
would be
unfeasible

located in good
place to pull
5+ students from

Kenmore Strengths

Kenmore challenge

Kenmore Other

+

3 other HS's

⊕ PEDESTRIAN SAFETY IS BAD NOW.
⊖ MAJOR SIDEWALK IMPROVEMENT WOULD BE REQUIRED AT KENMORE

Being the best to Kenmore is the way with the Kenmore improvement & visibility for the future Kenmore could become a full 100% comprehensive HS when the city could send out a proposal. Also, the schools could also get similar ideas through it.

Safety to students walking on Cedar Springs
Should this?

Because of the other buildings nearby that is not present on any other part of the city. It is a good idea to have a road from across of some of the roads.

Has a recent traffic study been done on Cedar Springs road?

Crewe Country location long enough for complete Kenmore High School

Kenmore Strengths

Kenmore challenge

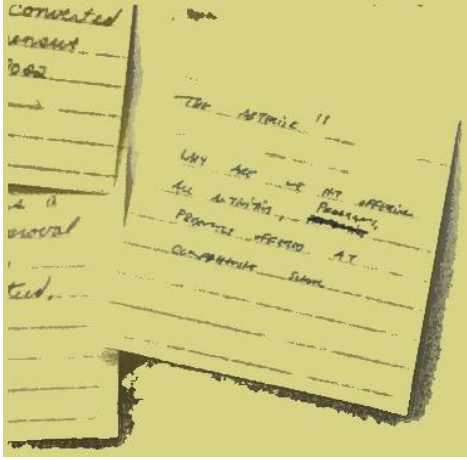

Kenmore Other

Four schools
within 1/4 mile
on Carlin Springs

- Just 1/2 way to
to...
to...
some...
...

Where does
middle school program
go?

- SIDE OF PROPERTY
- ABILITY TO CONVERT VHS TO HOUSE FRONT MS
- ABILITY TO GROW INTO COMPREHENSIVE HS

Best choice - greatest long term flexibility. Home of smaller school now. AFTER VHS site is required, the middle school can be moved there and Kenmore can become a 4th comprehensive high school - which we will need.

Traffic is already terrible on Carlin

...

Kenmore Strengths

Kenmore challenge

Kenmore Other

- Springs - big new school will exacerbate

Not enough field space and room to expand

Traffic is ~~bad~~ bad everywhere

Noise

Loss of open space

Neighborhood already has challenges w/ MS students walking through & vandalizing, using foul language in neighborhood

Traffic cuts through neighborhood speeding & causing a safety concern

Kenmore Strengths

Kenmore challenge

Kenmore Other

for children

Pedestrian safety
Carlin Springs is
NOT SAFE
for walkers
