

**Advisory Council on Instruction (ACI)
Strategic Plan: Goals and Strategies
February 7, 2018**

ACI members had an opportunity to review the areas of focus included in the potential strategic plan goals at the meeting on February 7. Members charted their ideas for the key elements to consider when working on the goals. At the end of charting, groups shared their thinking and then used dots to prioritize those areas that are most important. Charts can be reviewed below:

Challenge, engage
inspire each student
to reach their ^{highest} full
potential.

Appropriately challenge
and engage all students.
