## OPEN HOUSE & RIBBON CUTTING at the NEW APS SYPHAX EDUCATION CENTER

2110 Washington Boulevard

**Open House:** Take a self-guided tour to explore the newly expanded and centralized APS administrative offices, and the new School Board office and meeting room. Although some boxes may still need to be unpacked and finishing touches added, this is a great opportunity to find where staff and departments are now located and to acquaint yourself with the new meeting rooms now available for professional development and APS Advisory Committees. Most APS offices will have moved by May 3.

*Light Refreshments will be served on the 2nd Floor throughout the Open House.*

**Ribbon-Cutting:** At 6 p.m., join the School Board, members of the Executive Leadership Team and staff to make the building official at the ribbon-cutting in the new School Board Meeting Room on the 2<sup>nd</sup> Floor.
