Sources: VDOE SAT News Release dated October 25, 2018, College Board's *2018 Overview of Virginia and National Public Schools*, and division-level data files.

Notes:

For students who took the SAT more than once, the most recent score is used.

*State and national scores are for public schools only.

**Total includes students designated as American Indian, Native/Pacific Islander or more than one race in the APS student information system.

The first administration of the redesigned SAT was in March 2016. Due to this change, there is no comparison with the scores prior to 2017.
