Notes:

For students who took the SAT more than once, the most recent score is used.

*Division numbers include students who attended Arlington Community High School and Langston.

**Total includes students designated as American Indian, Native/Pacific Islander or more than one race in the APS student information system.

***Scores are not reported for groups with fewer than 5 students.

The first administration of the redesigned SAT was in March 2016. Due to this change, there is no comparison with the scores prior to 2017.
