GENERAL INFORMATION

REGISTRATION

Registration forms are included in this catalog and are available online at www.apsva.us. APS students should register at the schools they are attending during the 2018-19 school year.

NEW THIS YEAR: Secondary welcome letters, schedules and bus route information will be available electronically in ParentVUE as of July 2, 2019. Unless specifically requested on the secondary registration form, these materials will *not* be mailed and will be available online only.

Registration for the elementary enrichment programs (except Fun with Coding and Outdoor Lab) may be done at your child's school or online. See individual program descriptions for more information.

Late Registration for APS secondary students will be held at the Syphax Education Center on June 24 from 8:00 a.m. to 7:00 p.m. Only current APS middle and high school students who need to repeat a course are able to register during this time.

Student welcome letters, bus stops and other information will be mailed no later than July 1.

PROCEDURES FOR STUDENTS WHO ARE NOT CURRENTLY REGISTERED WITH APS

Non-APS students who live in Arlington must meet all applicable registration requirements and register in person at their neighborhood APS school. Non-Arlington-resident students must register in the Summer School Office and will be required to pay non-resident fees unless they are living with a parent or legal guardian in Arlington for the summer. Non-Arlington-resident students are not eligible to attend elementary strengthening programs.

All non-APS students (both those who reside in and out of Arlington County) must present the following items along with their completed registration forms and payment:

- Tuberculin skin test or evidence of a negative TB risk assessment done after June 2019
- Complete vaccination records
- Physical examination report done after June 2019 (elementary students only)

Non-APS students who reside in Arlington must also provide proof of residency with a parent or legal guardian in order to qualify for resident fees. Residency is proven by providing a copy of a lease or mortgage, or by completing the APS forms A & B (available from the APS Welcome Center, 2110 Washington Blvd, 22204, or online at apsva.us/student-services/residency/). Proof of guardianship may also be required.

DEADLINES

Registration deadlines are firm. Audits are not permitted. New students who are pre-registered to attend APS K-12 programs in the fall have until June 7, 2019 to register for summer school (students who are pre-registered to attend Pre-K in fall 2019 are not eligible to attend summer school).

FEES AND REFUNDS

Payment in full is due at the time of registration. Checks or money orders should be made payable to Arlington Public Schools. Cash and credit cards are not accepted.

Fees for Pre-K through grade 12 strengthening courses are non-refundable. The only exception is for a secondary student who passes a credit-bearing class during the school year and no longer needs to take the class in summer school.

Refunds (less a cancellation fee) may be granted for elementary and middle school enrichment and high school New Work classes, but only until June 28, and only if:

- a student is ill (with a doctor's note);
- there is a death in the immediate family; or
- there is a transfer of residence outside of Arlington.

The last day to request a refund is June 28, 2019. Requests should be submitted directly to the registrar who took the original application. Late requests will not be considered.

REDUCED FEES AND SCHOLARSHIPS

Reduced fees are available only to students who currently reside in Arlington and who receive free or reduced-price meals during the school year. Please indicate on the registration form that your student qualifies.

Scholarships are also available on a limited basis through each school's principal. Please discuss your individual needs with your student's principal prior to submitting your registration form so that he/she can provide more information.

ATTENDANCE REGULATIONS

Consistent attendance in summer school is critical at all grade levels. In the middle school and high school programs, neither grade nor credit is awarded for any class in which a student has more than three absences (two absences maximum are allowed in high school New Work for Credit classes). If the student is tardy three times, the tardies will count as one absence. Students who are more than 20 minutes late to class or who leave more than 20 minutes before class is over will be marked absent.

In Summer School there are no excused absences, even in the case of a court appearance or death in the family.

Students who exceed three absences (two absences for high school New Work) will be unable to continue in the summer program and will be withdrawn.

TRANSPORTATION

Elementary students who attend an out-of-boundary school during the school year MUST register for their home attendance boundary school (if they are attending a strengthening program) in order to receive transportation. Buses for the middle and high school programs will only be provided at the beginning and end of the day. In order to qualify for transportation, elementary students must live at least one mile from the summer school site, and secondary students must live one and a half miles from the summer school site. Bus stops and additional transportation information will be sent to students by U.S. mail no later than July 1, 2019. Parents must arrange for younger children to be escorted to and from the bus stop. Questions about buses should be directed to the Transportation Office at 703-228-8670. The call center is open from 6:00 a.m. to 6:00 p.m.

ELEMENTARY SCHOOL PROGRAMS

The APS elementary summer strengthening programs are designed specifically for those students who need additional time and exposure to grade level standards. **Only APS and Arlington resident students who are recommended by their principal are eligible to enroll in these courses.**

Program locations, times and dates are listed below. Detailed information on these and the elementary enrichment programs are listed on the following pages.

Parents and students are encouraged to discuss possible areas of study and consult with their teachers and counselors in order to make appropriate course selections. Registration forms for strengthening classes must be signed by the

student's teacher and a school administrator, and turned in to the summer school registrar by the appropriate deadline.

Fees for all strengthening programs are non-refundable. Partial refunds are available for enrichment programs under limited circumstances (see page 2, Fees and Refunds).

Students who are attending an out-of-boundary school during the school year and wish to attend a summer Math and Language Arts strengthening program, **MUST** register at their neighborhood school in order to be eligible for transportation. Questions about buses should be directed to the Transportation Call Center: 703-228-8670.

JULY 8 – AUGUST 2; 8:30 a.m. – 12:30 p.m.

\$100/\$56

See page 3 for locations and times.

The elementary strengthening program is designed for students who need strengthening or remediation in reading and math as recommended by their teachers and administrators. Reading and math interventions are provided in a small group setting to strengthen literacy and numeracy skills. The intervention groups will reinforce grade-level content to complement what students learned during the school year.

Elementary School administrators and teachers will invite eligible students to register for this program.

At each elementary site, resource services will be available for students who receive special education support during the school year. Summer school resource teachers ensure that accommodations and modifications are in place and provide direct/group instruction as needed. APS students whose IEP specified a self-contained level of service during the 2018-19 school year will also be provided with required services at each site. Registration in the countywide Special Education Programs is limited to students who were enrolled in these programs during the 2018-19 school year. Although students with Extended School Year (ESY) services do not pay fees, they must submit a registration form by the May 3 deadline.

ELIGIBILITY: Arlington residents in grades K-4.

JULY 8 – AUGUST 2; 8:30 a.m. – 12:30 p.m.

\$630/\$102

LOCATION: MCKINLEY

Global Village Summit provides engaging learning experiences that help students better understand and appreciate the world around them. Whether well-traveled or simply open to broadening their world, all students will enjoy learning about world cultures through multi-media technology, language experiences and hands-on learning. Recognizing that Arlington is a unique global village, the program focuses on our own diverse community. Cultural informants from different countries visit students to share their first-hand experiences and stories. Students use technology to apply research, critical thinking and creativity to convey information. Daily attendance is required for a successful experience. To get a first-hand look at this program, visit apsva.us/post/snapshots-showcases-global-village-summit/.

Summer Laureate is a challenging and fast-paced program providing experiences for students who demonstrate creativity, inquisitiveness, and a desire for an academic experience in the summer. Guided by concepts such as change, structure and cause/effect, students learn a topic of study in science through an integrated STEAM approach emphasizing critical and creative thinking, research skills, and technology integration and the arts. Through a personalized learning approach, students will have the opportunity to self-select from areas of study for individual and/or group projects based on their readiness and interests, to demonstrate what they have learned in the summer experience.

OUTDOOR LAB

SESSION A COURSE CODE: 00970

SESSION C COURSE CODE: 00971

REGISTRATION CLOSES: 4/5/19

Submit a registration form and check for Outdoor Lab to the APS Science Office, 2110 Washington Blvd, Arlington, VA 22204. Please do not combine payment for siblings.

If applying for another class in addition to the Outdoor Lab, a separate form and check must be submitted to the registrar at the student's school.

ELIGIBILITY: Arlington residents who have completed grade 4 or 5.

SESSION A: JUNE 24 – JUNE 28

SESSION C: JULY 22 – JULY 26

\$684/\$113 (includes transportation, room and board)

LOCATION: PHOEBE HALL-KNIPLING OUTDOOR LABORATORY

A blend of traditional camp activities (hiking, evening campfires, crafts, skits, etc.), nature exploration and sensory awareness make this program fun and informative. The Outdoor Lab summer camp provides students with the opportunity to explore the natural world at their own pace. The highly qualified staff will safely guide campers through various activities that may include aquatic studies, natural history, and nature's supermarket. This overnight program is conducted at the Phoebe Hall-Knipling Outdoor Laboratory near Warrenton, Virginia. Students are transported to the Outdoor Lab on Monday morning and returned to Arlington on Friday afternoon of the same week. Platform tents, meals and snacks are provided. Tent mates will be assigned by the Camp Director. For additional information call 703-228-6166. If registration exceeds program capacity, a random selection procedure will be used to determine participation. Students will be notified by email from the Science Office (or through USPS if no email is provided) by April 12 on the status of their applications.

If openings remain after the registration deadline, applications will be accepted on a first-come, first-served basis. After July 1, applications from students who live outside Arlington will be accepted, space permitting. Please contact the Science Office at 703-228-6166 for more information.

IV. SUMMER EXTENDED DAY PROGRAMS

The Extended Day summer programs offer quality supervised activities which are age-appropriate and designed to meet the needs and interests of children. Programs include arts and crafts, sports, games, drama, swimming, science, literacy and more.

To be eligible for Extended Day:

- the student must FIRST be registered for a summer school program at one of the locations listed below;
- the student must be age 5 by September 30, 2019;
- the custodial parent(s)/guardian(s) must be employed, actively seeking employment, in school, or incapacitated; and
- the Extended Day account must be current.

Abingdon	7/8 – 8/2

PLEASE NOTE THAT THE REGISTRATION PROCESS FOR EXTENDED DAY IS SEPARATE FROM THE REGISTRATION PROCESS FOR SUMMER SCHOOL. APPLICATIONS MUST BE COMPLETED FOR BOTH PROGRAMS.

MIDDLE SCHOOL PROGRAMS

APS offers a countywide summer school program which generally rotates locations each year. In 2019, the program will be held at Kenmore. This program offers a variety of opportunities for students to:

- Make-up or strengthen coursework done during the regular school year
- Improve academic readiness study skills
- Increase English language proficiency through reading, writing, listening, and speaking
- Reinforce SOL strands not mastered during the regular school year
- Maintain acquired skills and work habits in mathematics, English Language Arts and science

Course dates, times, and descriptions for middle school students follow. Students and parents should discuss possible areas of study, consult with teachers and counselors, and make course selections by the June 7 deadline. For general information regarding these programs, check the telephone listings on page 1 or call a school guidance counselor. A teacher signature is required for all courses.

Period 1: 7:45 a.m. – 9:55 a.m.

Period 2: 10:05 a.m. – 12:15 p.m.

\$380/\$77

This course is designed for students who have successfully completed Math 6 who are intending to take Algebra I or Algebra I, Intensified in grade 8. The course will preview the Pre-Algebra for 7th Graders content so that students are equipped to excel in both Pre-Algebra for 7th Graders in grade 7, and in Algebra I in grade 8. Problem-solving and communication will be emphasized through the study of real-world examples and hands-on models.

INTRODUCTION TO ALGEBRA (CURRENT 7TH GRADERS ONLY)

COURSE CODE: 13102
REGISTRATION CLOSES: 5/3/19

ELIGIBILITY: Students who have completed Math 7 with a grade of C or above and have passed the SOL, or students who have completed Pre-Algebra for 7th Graders with a C or above, have passed the SOL, and feel they need additional support prior to Algebra I.

JULY 8 – AUGUST 9

\$380/\$77

This course is designed for students who have successfully completed Math 7 or Pre-Algebra for 7th Graders and who are intending to take Algebra I or Algebra I, Intensified in grade 8. This course will strengthen Pre-Algebra skills and preview the Algebra I content so that students are equipped to excel in Algebra I the following year. Problem-solving and communication will be emphasized through the study of real-world examples and hands-on models.

GOOGLE LIT TRIPS – MAPPING HISTORICAL FICTION

COURSE CODE: GOOGLELIT67

REGISTRATION CLOSES: 5/3/19

ELIGIBILITY: Students who have completed grade 6, 7 or 8.

JULY 8 – AUGUST 9

Period 1: 7:45 a.m. – 9:55 a.m.

Period 2: 10:05 a.m. – 12:15 p.m.

\$380/\$77

Students will read a historical-fiction novel and simultaneously explore the journey using Google Earth. The use of Google Earth brings the reading experience to life, helping readers become part of the story by traveling alongside the characters. Throughout the journey, students will have the opportunity to view photos, video clips, primary sources and various expository texts that go beyond the novel, to help them engage in critical thinking and learn more about historical events. Students will also engage in a variety of writing experiences to reflect on the literary journey. After sharing this journey as a class, students will work in small groups and use Google Earth to map their own literary journeys.

JULY 8 – JULY 19; 7:45 a.m. – 12:15 p.m.

\$380/\$77

We live in an interconnected world that grows smaller with each passing day. It is important that we learn the skills necessary to navigate and understand our diverse global community. Using a variety of simulations, debates, and interactions with foreign policy experts, students will develop global competencies required for success in the 21st century. Activities will include:

- exploration of global issues such as human rights and peace-building
- interdisciplinary examination of global issues
- interaction with foreign policy experts
- role-playing and student-led presentations
- opportunities for research on global issues

DEMOCRACY IN ACTION

COURSE CODE: DEMINATION

REGISTRATION CLOSES: 5/3/19

ELIGIBILITY: Students who have completed grade 6, 7 or 8.

JULY 22 – AUGUST 2; 7:45 a.m. – 12:15 p.m.

\$380/\$77

Do you have an opinion on issues such as civil rights, voting and immigration? Do you believe you have the power to effect change in your community? Participating in the Democracy in Action Institute will provide an opportunity to address these issues. Using a variety of simulations, field studies, and debates, students will apply their conceptual knowledge to determine how our understanding of history and government help us take a more active role in our communities and our nation.

Activities will include:

- a debate on federalism in law making
- a mock Congressional simulation
- a workshop on public policy related to current issues
- a field study on social activism
- a site visit to Capitol Hill

SUMMER LITERACY ACADEMY

COURSE CODE: LITACAD7

REGISTRATION CLOSES: 5/3/19

ELIGIBILITY: Invitation only

JULY 8 – AUGUST 9; 7:45 A.M. – 12:15 P.M.

\$380/\$77

The Summer Literacy Academy seeks to inspire students to read critically, write with passion, and utilize diverse approaches to engineering and design while incorporating student voice and choice. Completed registration forms and checks from eligible students should be sent directly to Schirley Soto Cubillos in the Office of Equity and Excellence, 2110 Washington Blvd., Arlington, VA 22204 no later than May 3.

OUTDOOR LAB SESSION B

COURSE CODE: 10970

REGISTRATION CLOSES: 4/5/19

Submit a registration form and check for Outdoor Lab to the APS Science Office, 2110 Washington Blvd, Arlington, VA 22204. Please do not combine payment for siblings. If applying for another class in addition to the Outdoor Lab, a separate form and check must be submitted to the registrar at the student's school.

ELIGIBILITY: Arlington residents who have completed grade 6, 7 or 8.

SESSION B: JULY 8 – JULY 12

\$684/\$113 (includes transportation, room and board)

LOCATION: PHOEBE HALL-KNIPLING OUTDOOR LABORATORY

A blend of traditional camp activities (hiking, evening campfires, crafts, skits, etc.) and nature-based offerings make this program fun and informative. This program is an extension of the elementary Outdoor Lab summer camp, but a higher level of nature exploration and different activity options help to give campers a distinct experience. Students are provided opportunities to explore the natural world through focused activities of their own choosing and self-

directed free time activities. This exciting and popular summer camp is held at the Phoebe Hall-Knipling Outdoor Laboratory near Warrenton, Virginia. Students are transported to the Outdoor Lab on Monday morning and returned to Arlington on Friday afternoon of the same week. Platform tents, meals and snacks are provided. Tent mates will be assigned by the Camp Director. For additional information call 703-228-6166. If registration exceeds program capacity a random selection procedure will be used to determine participation. Students will be notified by email (or USPS if no email is provided) from the Science Office by April 12 on the status of their applications. **If openings remain after the registration deadline, applications will be accepted on a first-come, first-served basis. After July 1, applications from students who live outside Arlington will be accepted, space permitting. Please contact the APS Science Office at 703-228-6166 for more information.**

HIGH SCHOOL PROGRAMS

The 2019 high school summer program will be held at Washington-Lee High School. This program offers a variety of opportunities that permit students to:

- Make-up courses
- Strengthen academic competencies
- Improve computational skills
- Increase English language proficiency through reading, writing, listening, and speaking
- Prepare to retake failed SOL tests
- Take new work for credit courses

Students and parents should discuss possible areas of study, consult with teachers and counselors, and make course selections by the June 7 registration deadline. For more information regarding these programs, check the telephone listings on page 1 or call a school guidance counselor.

Note: Students must have a signature from a recommending teacher on their registration forms for all courses.

I. MAKE-UP AND STRENGTHENING ENGLISH, SOCIAL STUDIES, MATH, SCIENCE AND HEALTH

Eligibility: Students who should take make-up and strengthening courses fall into three categories:

- those who have failed a course previously
- those who have passed a course but failed an SOL exam
- those who have passed a course but wish to improve their grade (**for Pre-Algebra for 8th Graders, English 8 and Physical Science 8, only students who previously failed the course are eligible to register**)

To be eligible for full credit, a student must be enrolled for all 25 days, meet the attendance requirements, and receive a passing grade. SOL exams will be administered in relevant core classes at the end of summer school. No auditing is permitted. Students are allowed three absences and will be withdrawn on the fourth absence (two absences are allowed for New Work classes). Pre-Algebra for 8th Graders, English 8, and Physical Science 8 are middle school courses. No credit is earned for these courses. Grades received in summer school courses cannot replace grades received in an Intensified course.

III. VIRTUAL INSTRUCTION

(See course options under New Work for Credit Courses.)

Virtual courses are designed to allow students to take new work courses with more flexibility during the summer months.

Participation in virtual courses requires time management as students are working independently to cover the course content of a full year during the summer school session.

Students are expected to make steady progress through the course content. Deadlines within each course are set by the instructor. Important considerations for virtual coursework include:

- Attendance at an orientation session for social studies virtual courses is required (times and locations TBA)
- For successful completion of a course, students will be expected to **work at least 4-6 hours per weekday** throughout the course.
- Students participating in a virtual course must have a valid email address that is accessed regularly.
- Students must have internet access or the ability to travel to a site where internet is available.
- Students who need assistance with a social studies virtual course have the option to attend open labs each Tuesday and Thursday at the summer school site.
- Assessments will be administered virtually except for the following:
 - Economics & Personal Finance – Students are strongly encouraged to attend a proctored WISE Test for Financial Literacy. Varying test dates will be offered.

For additional information about social studies virtual instruction, please contact Kerri Hirsch, Social Studies Supervisor, at kerri.hirsch@apsva.us.

For additional information about Health virtual instruction, please contact Debbie DeFranco at deborah.defranco@apsva.us.
