# Bus Efficiency

# What do we mean by efficiency?

- ✓ Bus arrives on-time to school
- ✓ Bus routes are not long and meandering
- ✓ Student ride times are limited
- ✓ Stops serve many students
- ✓ Stops do not change frequently
- ✓ Buses are filled (i.e. “productive”)
- ✓ Buses do not travel a lot of “deadhead” time
- ✓ Service is cost-effective

# Suggestions for Reducing Travel Time

- Consolidate Stops
- Allow families to choose any stop (on any route) to have their child formally assigned\*

*\* any deviations follow same practice as now (note from parent about change)*
