GENERAL INFORMATION

REGISTRATION

Registration forms are included in this catalog and are available online at www.apsva.us. APS students should register at the schools they are attending during the 2019-20 school year. **Enrollment in elementary summer programs is limited to current APS students and is by invitation only. Elementary student welcome letters, bus stops and other information will be mailed on June 29.**

Secondary welcome letters, schedules and bus route information will be available electronically in ParentVUE as of June 30, 2020. Unless specifically requested on the secondary registration form, these materials will not be mailed and will be available online only.

Late Registration for APS secondary students will be held at the Syphax Education Center on June 22 from 8:00 a.m. to 7:00 p.m. Only current APS middle and high school students who need to repeat a course are able to register during this time.

PROCEDURES FOR STUDENTS WHO ARE NOT CURRENTLY REGISTERED WITH APS

Non-APS students are not eligible to attend elementary programs. Non-APS secondary students who live in Arlington must meet all applicable registration requirements and register in person at their neighborhood APS school. Non-Arlington-resident secondary students must register in the Summer School Office and will be required to pay non-resident fees unless they are living with a parent or legal guardian in Arlington for the summer.

All non-APS students (both those who reside in and out of Arlington County) must present the following items along with their completed registration forms and payment:

- Tuberculin skin test or evidence of a negative TB risk assessment done after June 2020
- Complete vaccination records

Non-APS students who reside in Arlington must also provide proof of residency with a parent or legal guardian in order to qualify for resident fees. Residency is proven by providing a copy of a lease or deed, or by completing the APS forms A & B (available from the APS Welcome Center, 2110 Washington Blvd, 22204, or online at apsva.us/student-services/residency/). Proof of guardianship may also be required.

DEADLINES

Registration deadlines are firm. Audits are not permitted. New students who are pre-registered to attend APS Pre-K in fall 2020 are not eligible to attend summer school.

FEES AND REFUNDS

Payment in full is due at the time of registration. Checks or money orders should be made payable to Arlington Public Schools. Cash and credit cards are not accepted.

Fees for strengthening courses are non-refundable except for secondary students who pass a credit-bearing class during the school year and no longer need to re-take the class in summer school.

Refunds (less a cancellation fee) may be granted for secondary enrichment and New Work classes, but only until June 26, and only if:

- the student has an extended illness (with a doctor's note);

- there is a death in the immediate family; or
 - there is a transfer of residence outside of Arlington.
- The last day to request a refund is June 26, 2020. Requests should be submitted directly to the registrar who took the original application. Late requests will not be considered.

REDUCED FEES AND SCHOLARSHIPS

Reduced fees are available only to students who currently reside in Arlington and who receive free or reduced-price meals during the school year. Please indicate on the registration form that the student qualifies.

Scholarships are available on a limited basis through each school's principal. Please discuss individual needs with the student's principal prior to submitting a registration form so that he/she can provide more information.

ATTENDANCE REGULATIONS

Consistent attendance in summer school is critical at all grade levels. In the middle school and high school programs, neither grade nor credit is awarded for any class in which a student has more than three absences (two absences maximum are allowed in high school New Work for Credit classes). If the student is tardy three times, the tardies will count as one absence. Students who are more than 20 minutes late to class or who leave more than 20 minutes before class is over will be marked absent.

In Summer School there are no excused absences, even in the case of a court appearance or death in the family.

Students who exceed three absences (two absences for high school New Work) will be unable to continue in the summer program and will be withdrawn.

TRANSPORTATION

Buses for the middle and high school programs will only be provided at the beginning and end of the day. In order to qualify for transportation, elementary students must live at least one mile from the summer school site, and secondary students must live one and a half miles from the summer school site. Questions about buses should be directed to the Transportation Office at 703-228-8670. The call center is open from 6:00 a.m. to 6:00 p.m.

SCHEDULES AND BUS LETTERS

Welcome letters and schedules, bus stops and additional transportation information, will be sent to elementary students (and secondary students who specifically request hard copies) by U.S. mail on June 29, 2020. Parents must arrange for younger children to be escorted to and from the bus stop.

FOOD SERVICE

Information regarding food services will be available on the food service website at apsva.us/food-and-nutrition-services/ in the late spring.

SESSION B: JULY 6 – JULY 10

\$684/\$113 (includes transportation, room and board)

LOCATION: PHOEBE HALL-KNIPLING OUTDOOR LABORATORY

A blend of traditional camp activities (hiking, evening campfires, crafts, skits, etc.) and nature-based offerings make this program fun and informative. This program is an extension of the elementary Outdoor Lab summer camp, but a higher level of nature exploration and different activity options help to give campers a distinct experience. Students

are provided opportunities to explore the natural world through focused activities of their own choosing and self-directed free time activities. This exciting and popular summer camp is held at the Phoebe Hall-Knipling Outdoor Laboratory near Warrenton, Virginia. Students are transported to the Outdoor Lab on Monday morning and returned to Arlington on Friday afternoon of the same week. Platform tents, meals and snacks are provided. Tent mates will be assigned by the Camp Director. For additional information call 703-228-6166. If registration exceeds program capacity a random selection procedure will be used to determine participation. Students will be notified by email (or USPS if no email is provided) from the Science Office by April 14 on the status of their applications.

If openings remain after the registration deadline, applications will be accepted on a first-come, first-served basis. After July 1, applications from students who live outside Arlington will be accepted, space permitting. Please contact the APS Science Office at 703-228-6166 for more information.

HIGH SCHOOL PROGRAMS

- Make-up courses
- Strengthen academic competencies
- Improve computational skills
- Increase English language proficiency through reading, writing, listening, and speaking
- Prepare to retake failed SOL tests
- Take new work for credit courses

Students and parents should discuss possible areas of study, consult with teachers and counselors, and make course selections by the June 5 registration deadline. For more information regarding these programs, check the telephone listings on page 1 or call a school guidance counselor.

Note: Students must have a signature from a recommending teacher on their registration forms for all courses.

I. MAKE-UP AND STRENGTHENING ENGLISH, SOCIAL STUDIES, MATH, SCIENCE AND HEALTH I

Eligibility: Students who may take make-up and strengthening courses fall into three categories:

- those who have failed a course previously
- those who have passed a course but failed an SOL exam
- those who have passed a course but wish to improve their grade (for Pre-Algebra for 8th Graders, English 8 and Physical Science 8, only students who previously failed the course are eligible to register)

To be eligible for full credit, a student must be enrolled for all 25 days, meet the attendance requirements, and receive a passing grade. SOL exams will be administered in relevant core classes at the end of summer school. No auditing is permitted. Students are allowed three absences and will be withdrawn on the fourth absence (two absences are allowed for New Work classes). Pre-Algebra for 8th Graders, English 8, and Physical Science 8 are middle school courses. III. APS VIRTUAL INSTRUCTION

(See course options under *New Work for Credit Courses*.)

Virtual courses are designed to allow students to take new work courses with more flexibility during the summer months.

Participation in virtual courses requires time management as students are working independently to cover the course content of a full year during the summer school session.

Students are expected to make steady progress through the course content. Deadlines within each course are set by the instructor. Important considerations for virtual coursework include:

- Completion of an orientation session for social studies virtual courses is required (online via Canvas). Students will receive information on how to access the orientation course after the registration deadline.
- For successful completion of a course, students will be expected to **work 6 hours per weekday** throughout the course.
- Students participating in a virtual course must have a valid email address that is accessed regularly.
- Students must have internet access or the ability to travel to a site where internet is available.
- Students who need assistance with a social studies virtual course have the option to attend open labs each Tuesday and Thursday at the summer school site.
- Assessments will be administered virtually except for the following:
 - Economics & Personal Finance – Students are strongly encouraged to attend a proctored WISE Test for Financial Literacy. Varying test dates will be offered.

For additional information about social studies virtual instruction, please contact Kerri Hirsch, Social Studies Supervisor, at kerri.hirsch@apsva.us.

For additional information about Health virtual instruction, please contact Debbie DeFranco at deborah.defranco@apsva.us.

VIRTUAL VIRGINIA

Virtual Virginia provides additional online options for students who are unable to enroll in or miss the deadline for APS Virtual and Blended programs. Courses are available in world languages,

electives, and core subjects to students in middle and high school who meet the course prerequisites and have prior approval from the Director of Secondary Education in the Department of Teaching and Learning.

For more information, please visit virtualvirginia.org/programs/summer, and/or contact a school counselor.
