

Fall 2020 Elementary School Boundary Process

New Boundaries for the 2021-22 School Year

APS is developing new boundaries for some neighborhood elementary schools, and some students will be reassigned to another neighborhood school starting in the 2021-22 school year. The boundary proposal involves students from Ashlawn, ASFS, Glebe, Long Branch, McKinley, Taylor and Tuckahoe. Families can review and provide input on this proposal by October 20, 2020. Staff may refine the proposal in preparation for the Superintendent’s recommendation. The School Board will vote on December 3, 2020, to adopt new boundaries.
