Source: VDOE OGR Cohort Report, 9/28/2020

^{*}As of July 1, 2015, state legislation eliminated the term "Special Diploma". In lieu of this language, the term "Applied Studies Diploma" is used. This diploma is available to students with disabilities who complete the requirements of their Individualized Education Program (IEP) and who do not meet the requirements for other diplomas. Diplomas under this column for earlier cohorts (2011-14) were identified as "Special Diplomas".
