

CTE Connect

Arlington Public Schools

September 2021

Renee Randolph, the Culinary Arts Teacher at the Arlington Career Center, was featured in Arlington Magazine last month in the article “Teachers We Love.” The full article can be found [here](#).

Congratulations Chef Randolph!

Ruth Bilodeau’s Early Childhood Education (ECE) students at the Arlington Career Center are learning about the Montessori philosophy and recently participated in some Montessori-themed activities to prepare for fieldwork. The ECE students will start their fieldwork experiences at the Montessori Public School of Arlington later this month.

Students in Saruhan Hatipoglu’s EMT classes at the Career Center recently participated in a lifting and moving exercise using the Reeves stretcher.

STEM Opportunities:

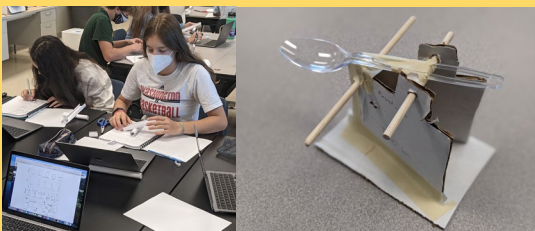

-~~X~~-STEM All Access: Watch live on September 21-24 or fit the episodes into your classroom schedule by watching on-demand.

-Global Maker Day: October 12, 2021 <https://www.globalmakerday.com/>

- VCU Engineering Explore & Tour (MS & HS students): October 22, 2021 <https://egr.vcu.edu/news-events/events/vcu-engineering-explore--tour.html>

-APS 2021 Hour of Code Interest Form: <https://www.apsva.us/ctae/stem/get-involved/>

Introduction to Engineering Design students at W-L have been performed the steps of the design process to develop a model to represent a design idea. Working in teams, students created prototypes using a variety of materials and the draw conclusions related to a prediction and support conclusions using experimental data. Gareth Hall is the course instructor.
