

This form is for the Parent/Guardian of _____ who is currently in grade 9-11 at Wakefield High School and resides in a planning unit that is proposed for reassignment to Washington-Liberty High School effective for the start of the 2022-23 school year.

Families may receive additional forms to complete if they have multiple students who would be impacted by the boundary proposal for the 2022-23 school year.

APS is conducting a boundary adjustment process in Fall 2021 that is limited in scope, focusing on schools where enrollment currently exceeds capacity and/or enrollment exceeded capacity for the prior two school years, and a nearby school has capacity to accommodate additional students.

APS is proposing to reassign the following [planning units](#) from Wakefield High School to Washington-Liberty High School: 46110, 46120, 46111, 48160, 48180, 48290, 46140, 48150, 48280, 48281. The change will be effective for the start of the 2022-23 school year. **The boundary proposal applies to all current 8th grade students and all new and future incoming high school students.** Please note that current 8th grade students enrolled in the Immersion program may continue with that program at Wakefield and are not impacted by this change. **Students attending Wakefield who are currently in grades 9-11 can also remain at Wakefield or may attend Washington-Liberty (newly assigned neighborhood high school) beginning in the 2022-23 school year.**

The purpose of this form is to confirm that you have received information about this proposed boundary adjustment and to indicate if you would plan to keep your current grade 9-11 student at Wakefield or attend Washington-Liberty (newly assigned neighborhood school) beginning in the 2022-23 school year.

New Students, Siblings, and Transportation Information

- **Grandfathering:** APS staff are proposing a grandfathering provision that allows students attending Wakefield who are currently in grades 9-11 to remain at Wakefield through completion of 12th grade or to attend their newly assigned neighborhood school (Washington-Liberty) beginning in the 2022-23 school year.
- **Siblings:** Younger siblings of current grade 9-11 students at Wakefield, who reside in one of the planning units proposed for reassignment, are not eligible for grandfathering under this proposal and would attend Washington-Liberty (newly assigned neighborhood school) when they matriculate to high school.
- **Transportation:** APS transportation will be provided to the current 8th grade students as they matriculate to Washington-Liberty at the start of the 2022-23 school year and will continue to be provided to grade 9-11 students in these planning units whether they remain at Wakefield or choose to attend W-L (newly assigned neighborhood school). The current grade 9-11 students in these planning units who remain at Wakefield would be provided transportation via [hub stops](#).

If you need assistance completing this form, please email apsboundaries@apsva.us or contact the Wakefield main office and ask to speak with the bilingual family liaison.

Please visit the Fall 2021 Boundary Process webpage at www.apsva.us/engage/fall-2021-boundary-process for additional details about the process.

1. Student's First Name- _____
2. Student's Last Name- _____
3. Student's ID- _____
4. Student's current neighborhood school- _____
5. Student's current grade- _____
6. I would prefer that the student referenced in this form:
 - a. _____ Remain at Wakefield High School for the 2022-23 school year and understand that younger siblings are not grandfathered and must attend Washington-Liberty. APS Transportation for those who remain at Wakefield will be provided via hub stops.
 - b. _____ Attend Washington-Liberty High School beginning in the 2022-23 school year.
7. Parent/Guardian Name- _____
8. Day Phone- _____
9. Cell Phone- _____
10. Date- _____
11. Do you have questions about the proposal or boundary process?
