## Message from the Superintendent

Dear Arlington Community,

The Arlington Community Learning Program's slogan is "Where Learning Never Ends," and that holds true during the summer months as well. We are pleased to announce that registration is now open for the 2023 summer term of community education. In this catalog you will find a wide variety of in-person and online classes. We have also included several enrichment classes for kids, ranging from cooking to coding classes. We are always looking for new and innovative ideas, so if you have one, please share it with us because it helps us fulfill the needs of our community.

We wish you all a wonderful and safe summer, and what might even make it more enjoyable is taking a class or two!

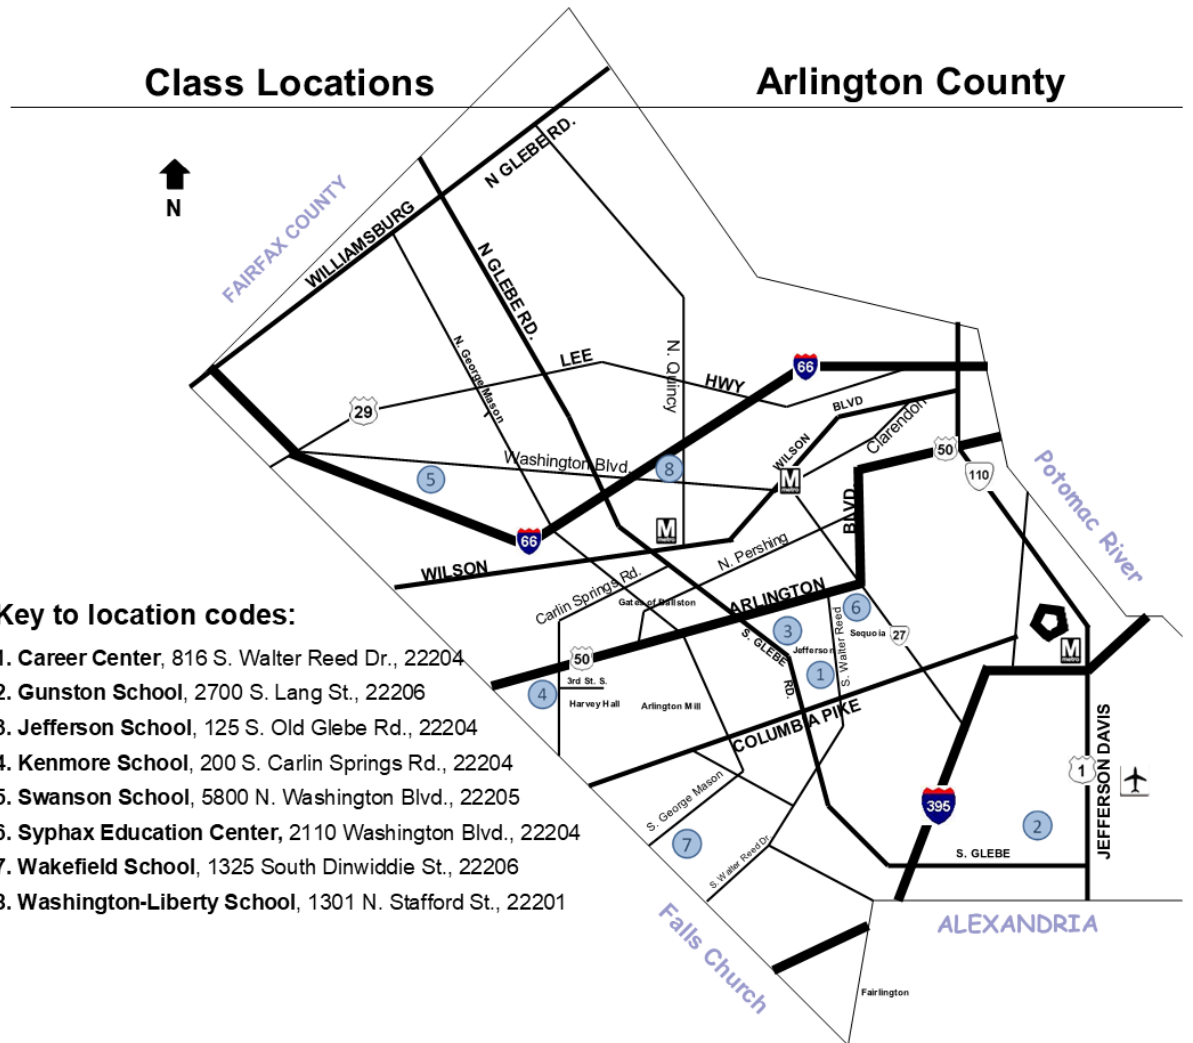

Sincerely,

Dr. Francisco Durán, Superintendent  
Arlington Public Schools
